The Grange Caravan Park

Spring Newsletter

Christmas and New Year, although only a month ago, seem like a distance memory. We had many guests choosing to spend their Festive Season with us here at The Grange Caravan Park. The informal gathering on New Years Eve was well attended and enjoyed by all. There was an abundance of delicious food brought along by many guests including a Cheese themed Christmas tree! Surely this has to be the best tree ever..?!

And now Spring is truly on its way and with the day light lengthening nature and trees start to awaken, song birds start to gather bedding for their nests and bulbs are unfurling. It really is a wonderful time of year especially here at The Grange Caravan Park.

Dolly Fostering Update

We have been fostering Dolly for several months now helping her through an intensive knee operation which went extremely well. During her rehabilitation we have spent time finding the right forever home for her and in the end Dolly chose for us. A lovely young couple who live not so far from Melton Mowbray

visited our park and Dolly's zoomies reaction confirmed her choice! Thank you to all who showed interest in her progress and even offering to adopt her. She certainly has left her pawprint mark with the team .

Milo Turns 2!

Happy Birthday to the youngest member of our team.

You have certainly grown not only in paw size but also in confidence with your role as apprentice site warden.
